When it comes time to walk the stage, it will be the end to a very eventful four years here for the Class of 2024. From our remote/ hybrid freshman year during the pandemic we quickly began to make the most of our time here once we got back in the building. We watched life go back to normal and began to experience things like our first pep rally outside sophomore year, dancing at junior and senior proms, senior sunrise (and newly senior sunset!). We also spent a great last night of being kids at our kid party playing games and eating snacks. These four years have been a rollercoaster but the senior class definitely made their last year at AHS the best. As senior advisers Mr. Balboni and Mrs. DeCaro say, this is indeed a very legendary class!

freshmanyear

Our first days of freshman year looked different than we had imagined them. While some people stayed completely remote, the rest of us began high school doing hybrid learning. Last names A-K went into the school for two days and then L-Z went the other two days. Although this was different, we quickly became fond of our half day Wednesdays and long lunch periods in our classes. We went on lots of mask breaks and even did some work in the outdoor classroom with friends. We attended Google meets and had to experience the awkward breakout rooms our teachers seemed to love. Sports also looked a little different this year. We were required to wear masks and limit contact while playing and even had to fill out Covid forms before every practice and game. However, we were excited to be able to play the sports we love. Our football team's season was forced to begin in February due to Covid precautions which meant we missed our first pep rally due to these same reasons as well. By the end of the year we regained some normalcy where all students could be in school at the same time, that is with our desks six feet apart, wiping them down after every class, and masks on!!

sophomoreyear

As sophomore year starts all of us finally stepping foot inside the school. This year we had to take English and Math MCAS for the first time in a while since it was canceled for two years. Our class President and Vice President were Andrew Croteau, and Tessa Ebreo. Though we had to wear masks and stay at least six feet away from one another we tried to make the most of it. In classrooms we had to sit in every other seat, and also take mask breaks every once in a while during each period. A lot of sports and special events were affected such as Pep Rally, which was once an indoor activity turned into an outdoor activity. Another special event that was affected was Homecoming, though we did not have to wear masks we were still required to keep a distance from one another. Things improved and the restrictions were lifted when we returned from February break. Masks were no longer mandatory and we could see our fellow classmates faces once again. During sports we still had to wear masks if our events were inside the school. Many of us began to get our driver's license and took to the roads. As the year came to a close we were excited to become upperclassmen next year and hoped for a better year.

history

junioryear

As junior year began, we realized it came with not only more responsibilities, but also with more freedom. We began to learn how to get through AP classes, and quickly learned what it really meant to study. Most of us also began to think about what we would do when it comes time to leave AHS, our futures were now in our hands. Time was going by quicker than we thought, and we had to begin to navigate what we wanted to accomplish as our time winded down at AHS, along with our future plans. However, this year also brought us many good times being able to participate in upperclassmen events such as PowderPuff, even though we lost terribly to the seniors. We also got to experience Prom for the first time having fun one last time before our senior friends left. We even beat the seniors in Pep Rally and got to enjoy Pep Rally for the first time as upperclassman and it was back indoors! We were able to enjoy these moments with the previous senior class, but now we get to look forward to participating in these activities and more as seniors the following year. Overall we had an awesome year learning new freedoms, while also taking on new responsibilities getting us ready for whatever is next to come in each of our paths!

senioryear

Although our first year of high school threw us for a loop, our senior year made it all well worth it. This was the time we left our marks on Agawam High. This year blessed us with so many great memories and taught us tons of life lessons, especially when it came to college application season. Our class president was Dominic Chen with vice president Gianna Pettazzoni, secretary Ilya Shlemanov, and historian Quinn Miller. Thanks to them, there were plenty of senior activities planned. Everyone was excited to lead our senior Pep Rally and show some school spirit along with the Spirit Week that led up to it. Some core memories for us all were the Senior Sunrise held at the beginning of the year and our Senior Prom and Sunset at the end of the year. Along with these fun senior activities we were able to experience the first musical preformed in a long time by the Drama Club and performing arts department, "Once Upon a Mattress." We had a lot of fun with our childhood school walkthroughs. Looking back on not only these last four years, but every school year spent together, we have all grown so much. We are all excited for June 8th and the next chapter of life, whether it be college, the military, or the workforce. Best wishes to the Class of 2024 and your bright futures!

Braedyn Ashton Collins

November 16, 2005
-
October 31, 2017

The best way to describe Braedyn is that he was a pure source of love and light. Whether he was jumping down a full flight of stairs or putting something up his nose, he never failed to make his friends laugh. Braedyn lit up every room he walked into with his presence alone. He greatly cared about his friends and his family. He was always such a genuine, kind, and funny person to be around. Braedyn was unique in every way, a truly beautiful and irreplaceable human being who left such a positive mark on the people around him and set the standard for what a good friend is. The graduating Class of 2024 celebrates Braedyn's life, walking across the stage in his memory for the mark that he left on every single one of us.

In Loving Memory of our Friend.

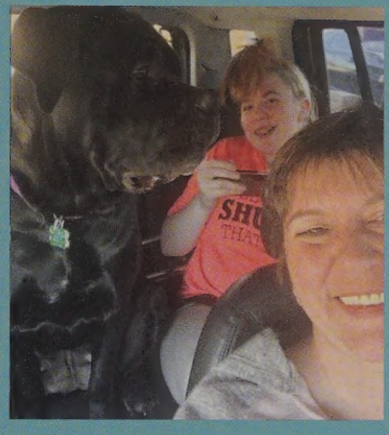
Karen Malachowski

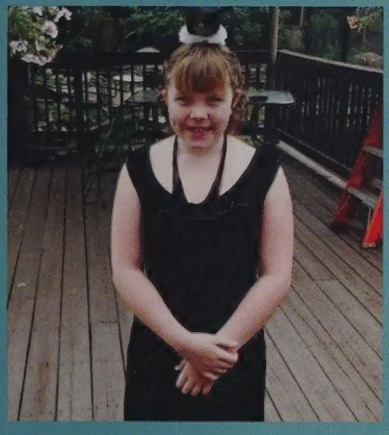
December 5, 2005 - March 9, 2022

In memory
of a life so
beautifully
lived,
A heart
so deeply
loved.

Afterglow

I'd like the memory of me to be a happy one
I'd like to leave an afterglow of smiles
when life is done.
I'd like to leave an echo whispering
softly down the ways
of happy times and laughing times
and bright and sunny days.
I'd like the tears of those who grieve
to dry before the sun
of happy memories that I leave behind
when day is done.

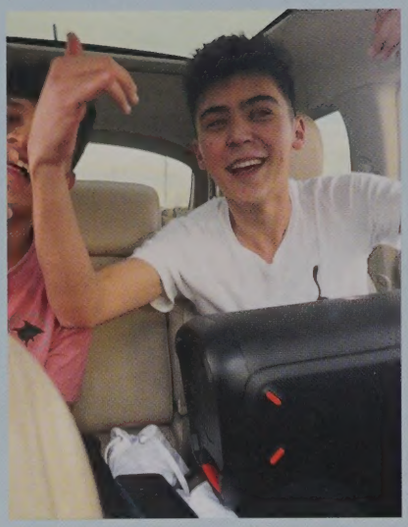


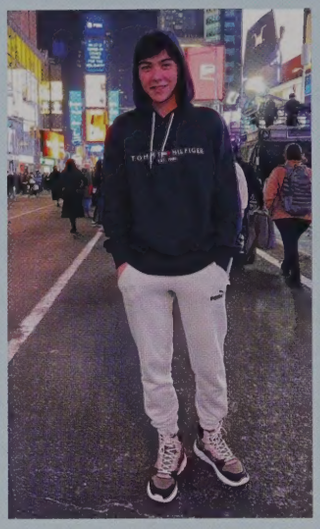


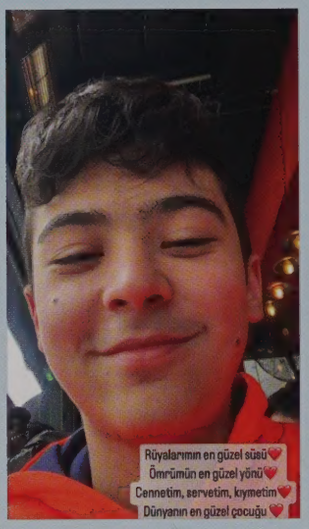
she created
beautiful
memories
that our hearts
will hold forever

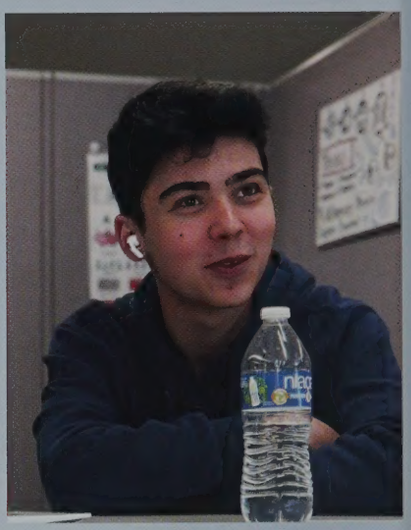
Ömercan Karaarslan

June 8, 2005 - May 30, 2023









Nothing has been the same since the day you left us. I still feel your absence and you are on my mind every minute, every second. I miss you so much. We've been together since the first day of school. I miss laughing together, going to classes, going out with you. I loved you like a brother because you respected me as a brother. I will never forget the days and months I spent with you, the funny boy of the school.

I really wish we could do everything we talked about. But now I am going to do them for you. Hope you are watching me and proud. Forever 17 ~ ***Ali Al Ani***

Ömercan, I remember the first day of school when we met. You are a good kid and friendly. We had a great time at lunch and classes. Now I miss you a lot, Ömercan. ~ ***Ahmad S***

You are a very good friend and we will never forget you. You will always remain in our memories. We miss you!! ~ ***Kate S***

Ömercan, we all miss you, your jokes, and the time spent together. You were a great person. ~ ***Laura K***

My dear friend Ömer, I miss you so much that you are always on my mind. I always feel your presence every time I come to the ESL classroom. I see that everyone remembers you with respect and I feel very happy. I will always remember you with love. ~ ***Halime R***

Ömercan will remain an eternal memory as a loving friend and a kind-hearted person. He always lifted spirits with his cheerful demeanor and warm heart. Ömercan was a proud Turk who found joy in the company of his friends. His departure took away our opportunity to spend time together too soon, but his kindness and warmth will remain in our hearts forever. May his bright memory inspire us to preserve friendship and joy in our school community. ~ ***Timofei D***

seniorsunrisehighlights
The Senior Sunrise was a huge success this year, many students from the senior class came to school early on September 27 at 6:30 a.m. to enjoy a beautiful sunrise. Everyone enjoyed this time with their friends as a perk of finally being a senior. We drank coffee and ate donuts, and some students even brought a grill to make pancakes and bacon. We are so grateful to have class officers and advisers to plan such great events like this for us! We listened to music, and had a great start to our often stressful lives as seniors, and we made memories to last forever!

Senya later!

kidparty

kidpartyhighlights
The Class of 2024 hosted their traditional kid party on Friday, March 8, 2024. This superhero-themed party was meant to give the AHS seniors one last night to enjoy being a kid. Thanks to the 2024 class advisers and officers, the night was incredible. This year's event was filled with nostalgia; things like gushers and hugs were given out and games all the way from limbo to volleyball were played. The most popular games of the night were dodge ball and parachute duck duck goose. This night will always be one to remember and allowed all students involved to get one last taste of childhood before everyone moves on to college, the workforce or the military. Being able to let loose and experience the people and games the Class of 2024 grew up with is so bittersweet. Peace out to the most "legendary" class as Mrs. DeCaro and Mr. Balbony would say! #KidParty2024

Aiden Kane It was awesome to experience one more night as a kid.

yearbookstaff

yearbookstaffhighlights
This year's Sachem Yearbook Staff was composed of four hardworking members who came together to produce the best yearbook. The theme chosen was "follow us through 2024." The staff worked all year long to capture the 2023-2024 school year at Agawam High. With help from Mrs. Weyant, the yearbook staff was able to meet deadlines, complete interviews, take photos, and stay on task. We hope everyone will enjoy this book!

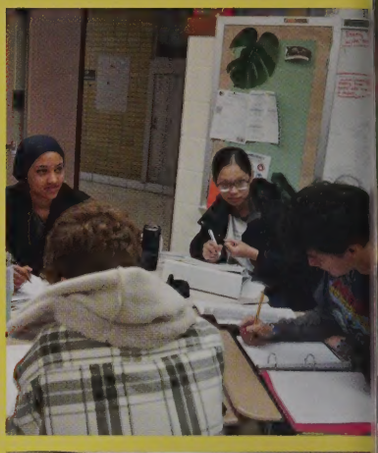
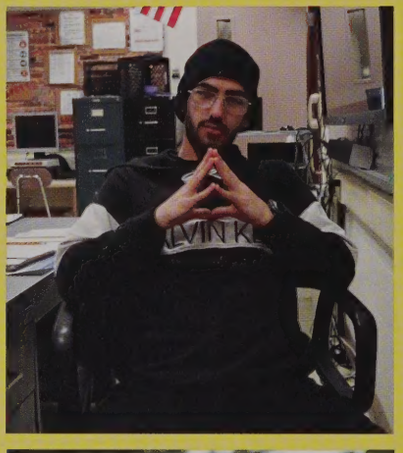
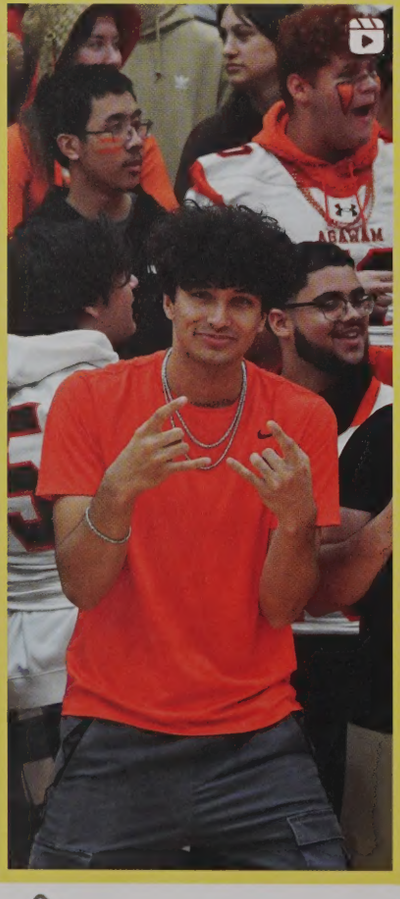
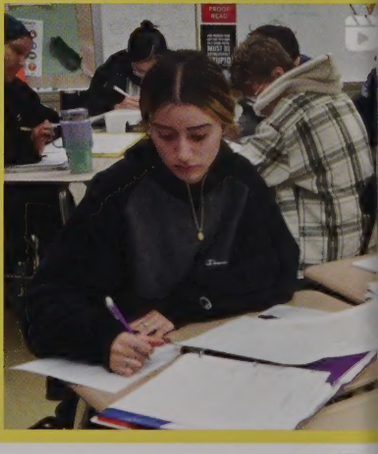
Juniors

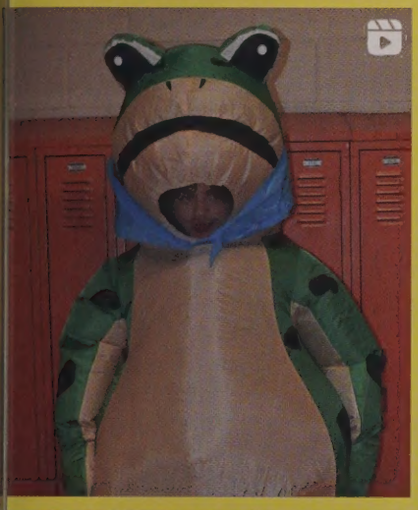






Minje Kim, President; Terence Cheung, Vice President; Christina Ritter, Secretary; Emma LaCaresse, Historian





This was an exciting year for the junior class, they were finally upper classman in the school. They got to participate in activities like powderpuff and prom. The juniors also experienced pep rally in a different light as upperclassman. The class officers Minje Kim, Terence Cheung, Christina Ritter, and Emma LaCaresse and advisers Ms. Della Bella and Mrs. Hunter played a crucial role in ensuring a great year for them and got them excited for what is to come next year as seniors. This was a big year for most and many of the juniors grew up this year and began to experience things like getting licenses and new jobs, and began to get a peek into adulthood. All of the hard work this year will really pay off as they reenter the school next year as seniors!

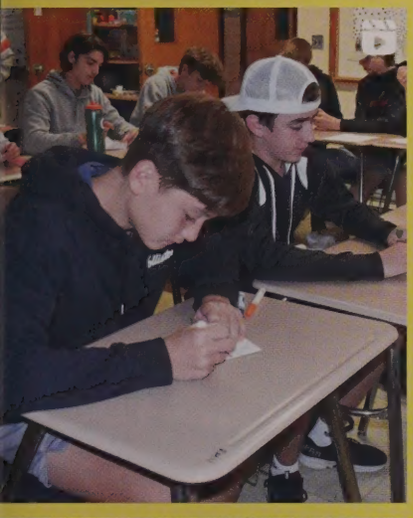
In Loving Memory of Raphael Medina ❤



Congratulations Class of 2026, you have officially made it halfway through this crazy journey of high school! This year the sophomore class got through tough experiences such as taking the MCAS exams, but also had some fun times, including being able to experience pep rally without getting "FRESHMAN!" screamed at them. Next year comes junior year where we will be upperclassman, it is time to start driving, thinking about SAT's, and taking higher level classes. With the help of the class officers Cole Ingham, Aidan Lavelle, Liam Grealis, Anthony Norman and advisers, Mr. Russo, and Ms. Sheehan, there is an amazing two years of high school left in store for the Class of 2026!

With the class officers Fidan Ahmadov and Tracey Ngabaiya already working hard to ensure a great experience for the Class of 2027, and the advisers Mrs. Osborn and Ms. Sapelli being open to new things and great encouragement this class is a key to success at AHS for the next three years. Although they may have gotten lost going to imaginary rooms, or getting screamed Freshman at them at pep rally, they endured through it all and are ready to finally be sophomores. They are now ready to move on, and leave the freshmen jokes behind them as they encounter new experiences as sophomores next year. Good luck Class of 2027!

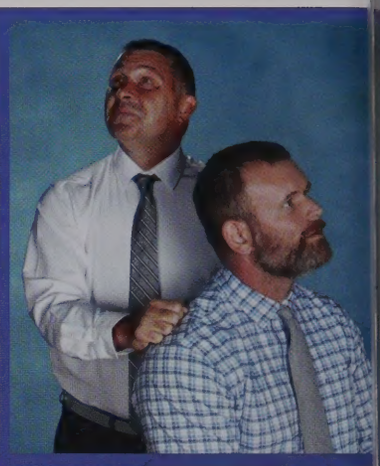
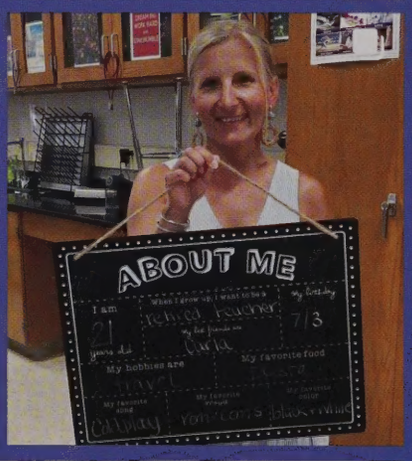
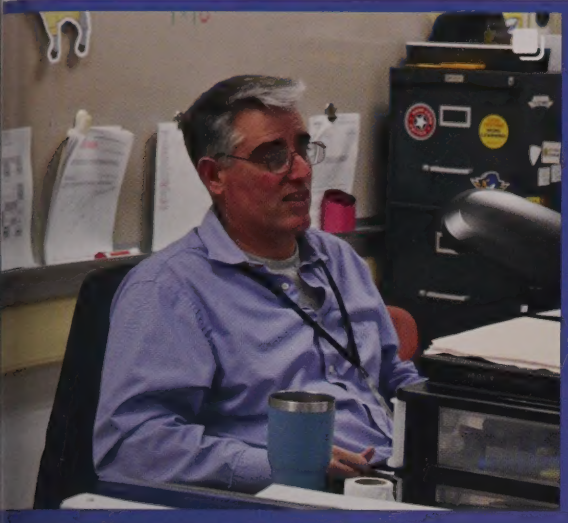
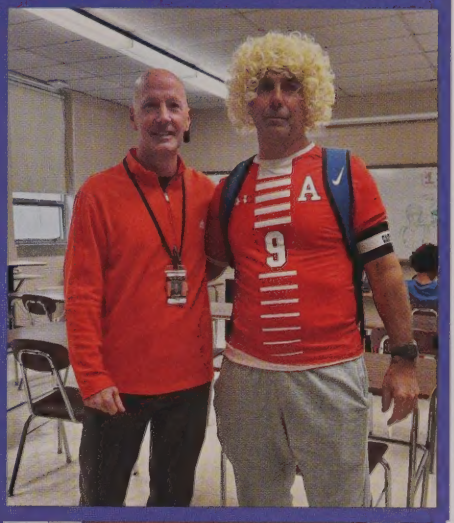
Faculty & Staff

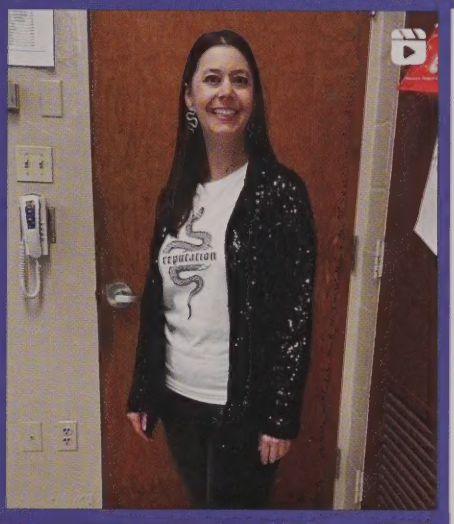






The Agawam High staff is the main reason for every student's smile. They work hard to keep students on track and are tirelessly guiding and supporting students on their academic and personal journeys. The staff helps create an environment where students are able to feel valued, empowered, and equipped to succeed. They make every effort to help students enjoy their time in school, whether that be a teacher in their classroom, or a counselor helping kids out on rough days. Our community is extremely lucky to have such a motivated and hard-working staff, allowing students to feel safe and comfortable at AHS. This yearbook is not only for the students, but it is for the staff. The Classes of 2024, 2025, 2026, and 2027 all thank every faculty and staff member for being there for us!



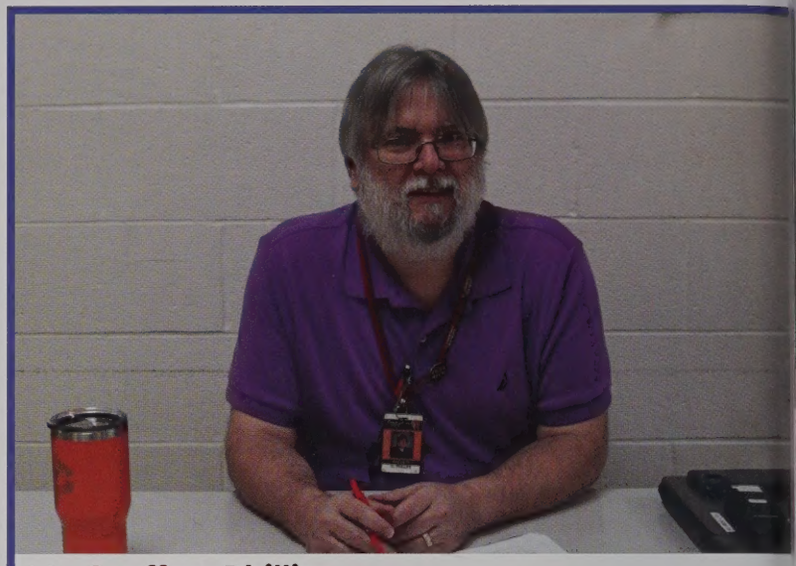


staffretirees

Mr. David Kandar

Mr. Kandar has been an teacher for 21 years, 20 of those years have been at Agawam High School. He became a teacher because he is very enthusiastic about English and has something to teach the students in hopes to make them enthusiastic if possible. One of the highlights of his career was when Nicholas Gould, valedictorian, mentioned Mr. Kandar in his graduation speech; and they both cried. He will miss working with students especially when they get interested in a topic. His retirement is really bittersweet because he works with great peers. During retirement, Mr. Kandar plans to read 100 books, hike a lot, and be a substitute.

"Even if you're doing something you don't like, try to learn something." ~ Mr. David Kandar



Mr. Geoffrey Phillips

Mr. Phillips became a teacher because he likes to teach kids. He began his 34-year career at Putnam Vocational High School and has been a teacher here at Agawam for the past 20 years. Changes he has witnessed in his years at AHS are a lot more higher-level classes, more options for students, and more paperwork. Seeing students succeed later in life has been a highlight of his career. He will miss the people and staff when he retires, and plans to relax during retirement.

"Do your best always." ~ Mr. Geoffrey Phillips

Mrs. Deborah Armakovitch

Mrs. Armakovitch has had a 45-year career in education. She became a teacher to teach kids how to do things that they would need later in their lives, and enjoyed doing the foods and child development classes at AHS. One of the highlights of Mrs. Armakovitch's career has been to watch students grow and graduate. In retirement she plans to work around the yard and do a lot of traveling. She will not miss getting up at 4 a.m. and driving an hour to school each day.

"Enjoy your time at AHS and enjoy high school!" ~ Mrs. Deborah Armakovitch

Mrs. Carrie Egerton

Mrs. Egerton became a counselor because she wanted to help people and make change in the world. She has worked in the education field for 26 years with the last 17 of those years in the Agawam Public Schools. She worked at Robinson Elementary for 13 years, 2 years at the junior high and the last 2 years at the high school. Mrs. Egerton will miss the students, colleagues, fellow counselors, and the school community. Building relationships with students and families in town has been a highlight of her career. In retirement, Mrs. Egerton plans to work part time as a therapist, travel with her husband, and spend lots of time with her family.

"Follow your heart and do what makes you happy." ~ Mrs. Carrie Egerton

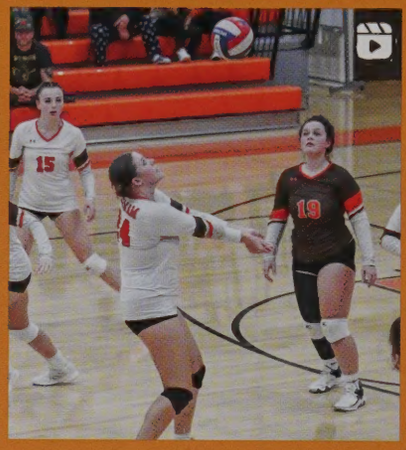
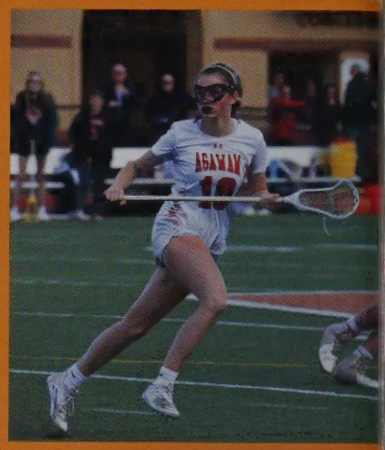
Sports





Agawam High School spirit is always prominent when it comes to athletics. Whether it's fans showing up to cheer on the volleyball, football, and hockey teams, athletes boarding the bus for a long road trip, our athletes always do what it takes to get the win. From the first tryout to the last minutes in a state game, these athletes always give their best effort and determination until the last second. Even when faced with defeat, the work to rise back to the top is truly shown by each individual. This year a lot of teams had great runs in the State tournament and in Western Mass playoffs. Not to mention last spring the boys' volleyball team brought home the State Champion title and showed what it truly means to be a Brownie! The athletes embody true school pride and what it looks like to work hard for something you are passionate about.

Agawam Baseball had a solid season with a total record of 12-10. They got off to a really strong start going 4-2 throughout their first 6 games. During their Minnechaug game Aiden Pisano and Thomas Plakias both had 3 hits in the 9-18 battle where they came up short. They came back strong next game against Southwick coming out on top 4-3 where Gavin Shlosser threw 13 strikeouts stepping up for the win. A highlight of their season was a memorable win against Westfield at home beating the team for the first time in 4 years. The boys traveled to Chicopee Comp for a well deserved 15-4 win. During their game at Dunkin Park in Hartford the boys fell just short of their rivals going 2-6 but overall remember this great opportunity as one of the best moments in their season.

seasonhighlights

Boys' lacrosse had a tough season with a overall record of 7-8. The boys worked to bond together with their new younger teammates creating a great dynamic throughout their season. They bonded at pasta parties and working hard at practice together. They celebrated their first win of the season in Northampton with a score of 14-2. Casey Thomas says, "The season was a lot of rebuilding and our seniors were a huge help in leading us through both wins and losses. The team also celebrated Nick Ugolini's 100th career goal in their game against Belchertown. The boys finished off their regular season with a 3-game winning streak against Belchertown, Amherst, and South Hadley. A lot of players got in on the action versus Belchertown with goals from Kaden Grover, Nick Ugolini, Noah Manale, Riley Jorgensen, Landon Ashford, and Casey Thomas. seasonhighlights

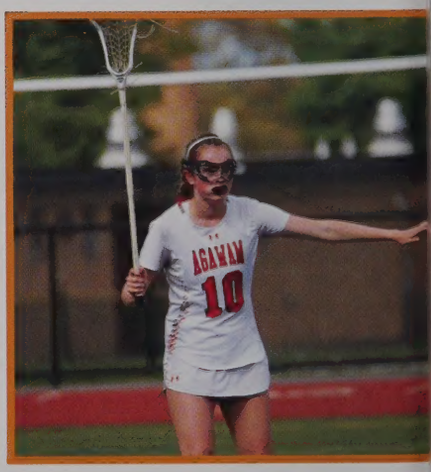
This year's girls' lacrosse team had a bit of a rebuilding year. After losing six seniors last year, returning varsity quickly welcomed in the newer girls and bonded through pasta parties, bus rides, and scouting out the other teams at their games. This bond was crucial to their success throughout the season. The girls started the season strong with 5-4 win versus our rivals West Springfield. A favorite memory of the season was coming back and beating Northampton 20-12 on their home field after previously losing to them 11-14 on April 6. Emiley Bussiere-Sykes said, "This team was a family and I think our close bond was a real factor in our success throughout our season." Every game was a hard fought battle and the girls finished with an overall record of 6-13. With a lot of players battling through injury this season they look forward to having their team back and ready to go for next year.



Isabella Spaulding Staying positive is an important part in success.

The 2023 Agawam Softball Team took on some challenges with losing two key players. They came through strong, put their best selfs forward, and fought to come out with a 9-9 record. Kylie Circosta threw 16 strikeouts against East Longmeadow. Lauren Champigny hit a triple against Minnechaug, and Amber Bates hit a 3-run home run against East Longmeadow. Payton Malanson hit her first career home run against Northampton, and the team beat Westside on senior night. One of the biggest lessons we learned was to get mad at mistakes, but to not let them bring us down. The girls started the WMASS playoffs extremely strong winning the quarter and semi final games. They ended up losing to Westfield in the finals. Although this season consisted of its challenges, it is definitely a memorable one for these girls.

seasonhighlights
Agawam Boys' Tennis had a rough year after loosing four seniors and adjusting to a new head coach, Ms. Della Bella. With a record of 3-12, these boys fought and worked hard on and off the court to perfect their game. Leading the team were the four senior captains, Dylan Fisk, Cole Stepanik, Anthony Virella and Jacob Barber. Although the wins were slim, this team pulled through with a 3-2 win over Central; matches won by Tyler Gervais, Nolan King, and Egor Mikhaylou. and a 4-1 win against Westfield. Just because they had a tough season, doesn't mean they didn't maintain their friendships. They bonded through pasta parties and dinners after games, and made tons of memories together.

With a record of 3-11, the wins were sparse but that did not affect this team's drive and motivation. The girls worked extra hard on their skills and made the best of their practices even when the victories were slim. The few victories won consisted of a Westfield win and two South Hadley wins, one being a 3-2 win on senior night. Leading the team were senior captains Kristen Vinciguerra and Sophia Consolini. This team bonded through pasta parties and going out to eat after matches, often referring to themselves as one big family.

Steel Land won the 110 hurdles, and Jordan Stallworth won the 200m dash. We also won the 400m relay, Ryan Stairs won the 800m, and Gabe Rua won High Jump. Many members of the team were able to qualify for the D3 State Championships; including our very own 4x400m and 4x100m relay teams! The boys had the strongest bond from the start to the end of the season and it was displayed at every meet as they cheered for one another during races. Although they only had one win this season, the boys really came together as a team and gave it our all.

The team continued to work hard and improve together as a team which brought much success upon their season. The boys bonded both on and off the court in order to build team chemistry. It was sad to see the season end and to see the seniors leave, but the team is excited to have another dominating season this season. The teams record is extremely successful with a total of only two losses! The boys not only took home the Western Mass win, but also brought home the title of state champions to AHS. The Agawam Boys' Cross Country Team had a successful season this year; seven out of the eleven members qualifying to run in the MIAA Sectionals Meet. Despite the mental and physical pressure that cross country brings, the team was able to push through and finish the season off with a 4-3 record. Each member was able to set new personal records for themselves throughout the course of the season. The team bonded in many unique ways, from wall ball before practice to ultimate frisbee games after meet days. Most importantly, everyone pushed each other to run faster and become stronger athletes. This year five members of the team graduate and leave behind six members to keep the team traditions alive! We wish them nothing but the best in their future endeavors.

Although they did not take the wins they fought hard and never gave up, showing true teamwork and determination. They had a first-year player Andrew Croteau rise to the challenge and became the top scorer for the team. WIth having a small team of only 15 players, and losing many players due to injury throughout the season they had to learn to adapt to the new way things were done. At the end of the season all three senior captains were selected for all Western Mass. With an overall record of 6-5-5 the team was able to adapt to a new head coach, and overcome many obstacles to still be successful. The boys were able to grow together as a team and feel like a family both on and off of the field. They were able to learn to play together as one. The team had very close games against some of the toughest teams around, including Longmeadow, West Springfield, and Wahconah. With senior, Nick Ugolini having almost 2,000 yards and 19 touchdowns, he will be missed on the field next year. The team is looking to take everything they learned this year and put it into next year's season. As senior Matthew DiLullo reflects on his season he gives some advice to upcoming team members, "Don't take it for granted."

This year, Isabella Fleury played in the Western Mass Girls' invitational where she placed 4th. Peyton Buffum and Hayden Dupre played in the Western Mass Boys' two ball where they placed 7th. Peyton stated that "qualifying for Western Mass was the highlight of his season." During the October 3 Pope Francis match, Michael Natale was able to score a hole-in-one on the JV team. seasonhighlights

The Agawam Boy's Soccer Team had an impressive season this year. With unique talent from every grade and discipline held by their captains the boys finished with a record of 11-3-5. Moving through regular season they captured some important wins against teams like Westfield, Mount Greylock, and a comeback win against Pope Francis. Things really looked up for the team entering post season. In Western Mass Quarter Finals they grabbed the win over Longmeadow in a sudden death double overtime game. They moved on to battle Ludlow and fell just short. The team had an impressive run in States starting with a 5-2 win over Scituate in the first round. They moved on to a double overtime win versus Nashoba in the second round. The boys then road tripped to Marlborough knocking them out with a 4-3 win. In the round of 8 they fell just short to Wakefield 0-1 putting an end to their run. The team will definitely feel the loss of this year's seniors, but are looking forward to what next season brings.

Nick Solitario Keep moving forward no matter what.

Andrew Regnier We stayed consistent all season, but we really picked up and fought at the end.

seasonhighlights

Agawam Girls' Soccer Team had a rebuilding season this year. With the youngest roster the team has had in years, there was lots of adjustments and adapting to be done. They started off on a good note with a 4-0 home opener win against Wahconah and a 3-1 win against Hampshire in the first week. They then road-tripped to Pittsfield and captured a 3-0 win. Seniors were celebrated on October 18 and captured an exciting 1-0 win after a long physical game. Their streak continued against Chicopee Comp on October 20, the girls celebrated beating the team 1-0 with a buzzer beater by Ang Kozhenvsky with 5 seconds left in the game. Moving through Western Mass the girls unfortunately fell short to Longmeadow putting an end to their season.

To start the season the girls' volleyball team won 3-0 against Ludlow, and Gabriella Manes had an epic defensive save against Lee Middle! Though we had some loses this season the girls did a lot of team boding and fundraisers this year. They have participated in the Thank Me Later Nutrition Fundraiser, and had the largest number of volunteers in the Griffin's Friends Color Run! To get closer as a team they had themed practices, team building activities like the Human Knot Challenge, and lots of pasta parties. Mid season the team bonding paid off and the girls won seven more games. We hope to have a better season next year, and we wish our seniors the best of luck in their futures.

The AHS Boys' Basketball Team ended with a record of 11-10 this season. They quickly learned how to work together with the help of captains Elijah Maldonado and Ethan Danek. To start off the season, the boys took home a win against Westfield by 36 points. To continue the winning streak they won the next game against Minnechaug as well. The team had some close wins like the 59-57 score against Putnam and a 67-64 win against Pittsfield. All players elaborated on how well this team learned to work together and bonded by the end of the season. As they entered the WMass finals, they were able to pull through with a win against Putnam (59-57). Leading them to the Semi-Finals where Central gave them a run for their money (54-88). Although everyone wished they had seen the boys go further into WMass and States, the team had a great record. Good Luck to seniors Colin Smith, Ethan Danek, and Andrew Regnier!

The girls beat some really strong teams like Westfield (46-34), and Monument Mountain twice (49-19 and 38-16). As well as a really close game against Southwick that came up with the win (41-37). Senior, Amber Bates says, "It was a great experience to be a part of this team and I will miss it so much next year!" With Amber being the only senior leaving, the team looks to improve for next season. The team made it into WMass and States, but were not able to beat their opponents. The Agawam Boys' Alpine Ski Team had a great season this year. The team started drylands in December working out in the gym. On the slopes the boys had many great successes. Two racers made States this year for the boys. Congratulations to Evan and Brandon Bourgeois! Evan Bourgeois also made the top 10 overall in the division which has not been done in over 10 years. The underclassmen skiers also showed their racing potential and that they will be there to fill the seniors' shoes next season. The boys finished off the season with the day the team describes as "the best races of the year." Individual's Day was held at Berkshire East where racers raced both Slalom and Gs.

The Agawam Boys' Swim and Dive Team had a bit of a rebuilding year this year. With a much smaller roster than seen in years past, they all stepped up to fill the shoes of past teammates. They bonded by working together at practices, hanging out at meets and bus rides. The boys celebrated wins over Easthampton and Turners Falls this season. Every win was hard fought and they kept their intensity high at both practices and meets. The team looks forward to working hard next season to become better and keep improving.

Noah Carra Talent is nothing without consistency and hard work.

The AHS Wrestling Team ended the season with a record of 5-1. This massive team had a great year, shutting out Chicopee with a 74-0 win and another massive win against Central, 65-17. The teams number one hobby was cheering each other on during matches and helping one another build confidence on the mat. Even though this team was filled with many different faces, everyone felt like it was a close knit family by the end of the 23-24 season. Nine Agawam wrestlers finished in the top three of their weight classes as they led their team to a first-place finish in the Phil Tomkiel Holiday Tournament. Jordin Agosto, Nicholas Ugolini, and Ilya Shlemanov each took first in their weight classes. The team also took home the first-place trophy from the 2024 Rodney Smith Classic Invitational at Suffield High School. Good luck to all the graduating 2024 wrestling seniors!

S.A.V.E. Club (Students Against Violating the Environment) is nothing like the rest; environmentally involved members are what makes this club so extraordinary. The purpose of S.A.V.E. is to spread awareness for the environment and how precious our Mother Earth really is. Annually the club participates in "clean-ups" around the school and the Connecticut River. This year they did a toy drive to promote the idea of reusable products. The most memorable lesson the club members have learned during their time in S.A.V.E. Club is how to be a productive, conscience contributer to their community.

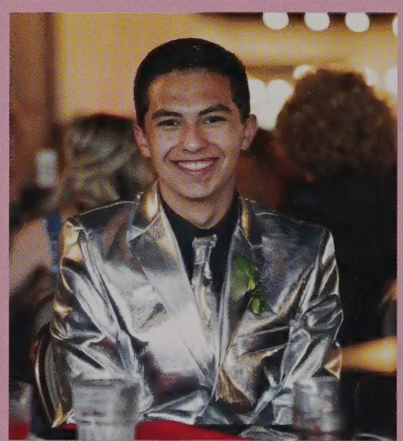
Special Events



This year's Special Events include prom, plays, pep rally, homecoming, the intense powder puff game, art festivals, and spirit week! In these events students got to show off their school spirit and display their many talents. These events really bring everyone together and allow them to make their own high school memories. The seniors are eagerly waiting to graduate, which marks this as the end of their Special Events at AHS.

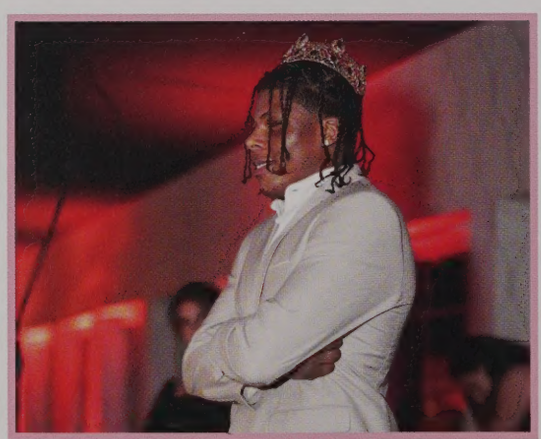
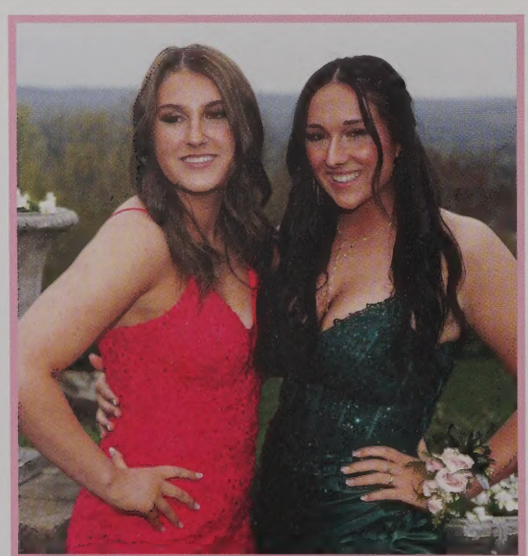
Annika Barron I had the best night with the best date.

promhighlights

Prom was held on Friday, April 28, 2023, at the Log Cabin in Holyoke, Massachusetts. This year's theme was "Red Carpet Affair" and it was presented well with a bright red carpet and gold, black, and red balloons. Everyone dressed in their best attire for the occasion. The food this year was a buffet style with stations such as Italian, mac and cheese, and barbecue. Other than the food and fun dancing, everyone had an awesome time outside with the pretty view of the mountains. The prom goers also brought home white sunglasses and photo booth pictures along with many memories they'll have forever.





Maddie McGregor Dancing with friends was the best part of the night.

Ethan Danek I had a great night tearing it up on the dance floor.

Jace LeBlanc I loved wearing cool costumes and makeup!

Jay Scott It was an interesting new experience for a lot of us.

playhighlights

This past spring, the Drama Club put together an amazing production titled, "Check, Please." This was a comical play about blind dating. Throughout the play most of the scenes are mimicking blind dates, and gave the audience many laughs. The club says they got the opportunity to learn and incorporate new theatrical skills and strategies into the play. The cast and crew spent countless hours working hard to put on such a great play. Hard work and determination caused this play to be as amazing as it was. Hailey Goulet says, "It was so funny to see everybody in their costumes and makeup." The cast all agree that the audience loved the play, and it was one of the best they have put on. Eden Berry says, "We definitely went out with a bang for this year, and I am excited to see what we put on next year!"

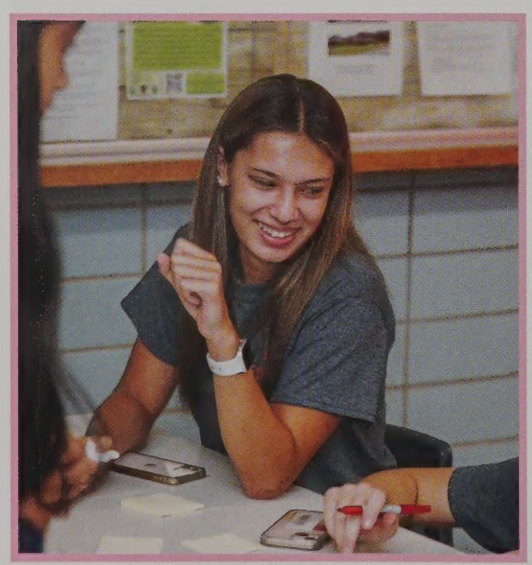
freshmenorientation&chiefs

freshmenorientationhighlights

This year's freshmen orientation was filled with anxious and excited students ready to learn more about their new school. The AHS Chiefs helped invite tons of upcoming freshmen into the high school and were happy to show them the spirit and liveliness represented here. The Chiefs here at AHS are a group of students from 10th, 11th, and 12th grade that help assist at all types of school events. They were able to answer questions and give tours of the school to help make the upcoming freshmen feel a little less nervous and welcomed. The Chiefs provide a perfect example of what an AHS student should look like and are very positive role models.

Samantha Dean I loved being able to get the freshmen more comfortable with the school!



Andrea Sypek It was good to be back in the school and show the freshmen around.

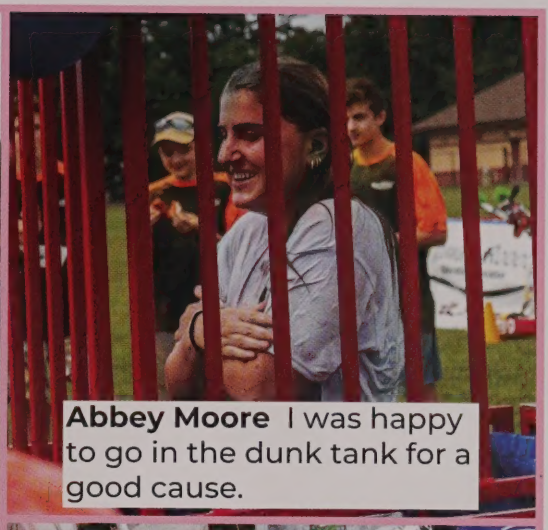
colorrun

colorrunhighlights
Our first ever Color Run took place on September 16, 2023, and was a huge success. The event brought together over 200 participants including students of all grades who came out to support the fundraiser for Griffin's Friends. Griffin's Friends is a group of volunteers dedicated to providing support to children with cancer and their families. We had a great turnout of students willing to donate their time. Runners and walkers were sprayed with color powder along the course. It was a blast ! The ever-loyal Magic Al appeared. A dunk tank was a hit! All kinds of other activities complemented the run. It was a colorful event we will not forget and can not wait until next year's Color Run!

Viv Gouvin It was a fun event, I'm glad I got to be apart of it.

Gabby Cosentini It was great to get outside and be with my friends while also supporting something important.



Abbey Moore I was happy to go in the dunk tank for a good cause.

playhighlights

The Legend of Sleepy Hollow was preformed on October 18-20, 2023 in the AHS Auditorium. The Drama Club took on the challenge of preforming a beloved and well-known story. The Headless Horseman of Sleepy Hollow and made it unique. They worked hard to learn the metered speech of the script, to perfect the musical hymns embedded in the story, to create the colonial village set and the lighting and sound effects that brought the play to life, and to transition seamlessly from scene to scene. By the end of the play viewers were left wondering if the Headless Horseman is real, or legend, or legend based in truth! We thank all the Cast and Crew, and everyone that made this play possible. They are truly a cast and crew that work together to make the Drama Club a welcoming, diverse, and talented community.

homecoming

homecominghighlights
Our Homecoming Dance at AHS was on Saturday, October 2, 2023 and the theme was A Night Under the Stars! We had a Homecoming King, Queen, Prince, and Princess. Everyone dressed up and came together for a good time, full of snacks and dancing. Students were able to request songs from the DJ and dance around with their friends all night. There was also a beautiful blue backdrop for students to take photos in front of. Everyone had a great time and they especially liked the snow cone machine! The disco ball made everything come together by giving the effect of actually being under the stars.

Bianca Banaru I loved hanging out with my friends!

Ethan Danek The snacks and music were great!!

Terceira Vaughn Even though I was injured, I still had the best night of my life!

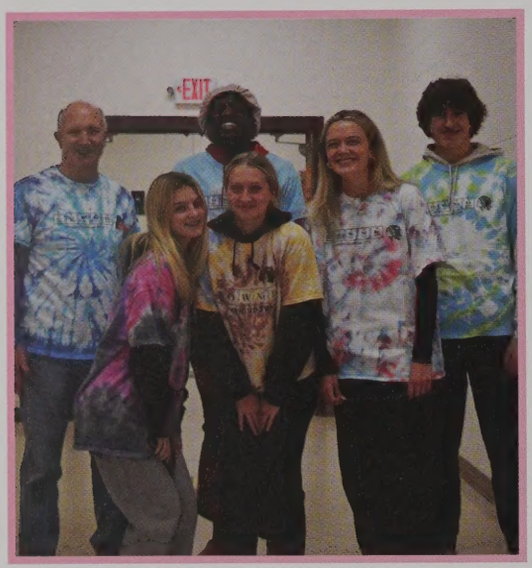
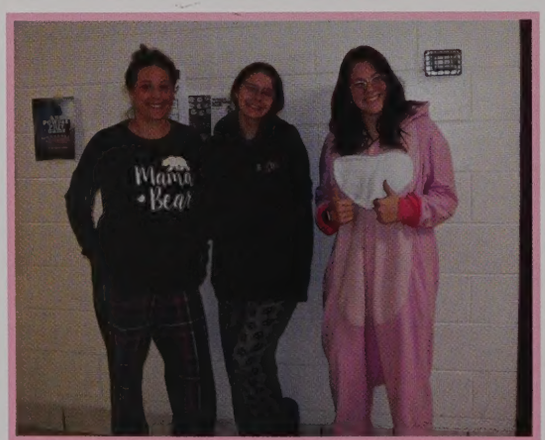
spiritweek

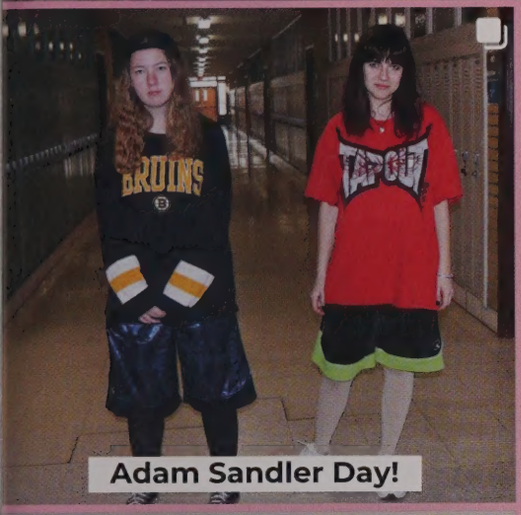


spiritweekhighlights
Spirit Week went on at AHS from November 13-22, 2023. There were many fun days including jeresy day, generation day, pajama day, and Adam Sandler day. Shea Bennett said that jersey day was her favorite. We had teacher student swap day where teachers and students dressed as each other, Mrs. Johnson and Sophia Calvanese nailed it! In the bottom right corner we can see Andrew Regnier and Doc Chambers dressed as each other, how can we even tell who is who anymore! On color wars day freshman dressed in pink, sophomores in green, juniors in gray, and seniors in black. It was awesome to watch all of the grades come together and support their classes on this day. The week got everyone involved in showing school spirit, and got us ready to partake in pep rally. Staff and students came together to remind us how school can be a positive, fun environment.

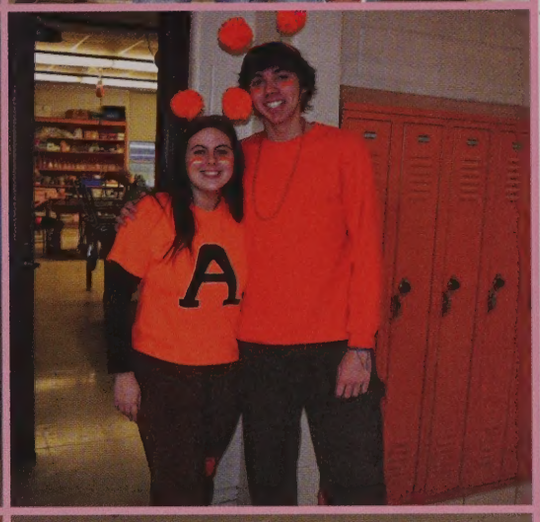
Gianna Pettazoni I loved dressing up all week with my friends to show my spirit!

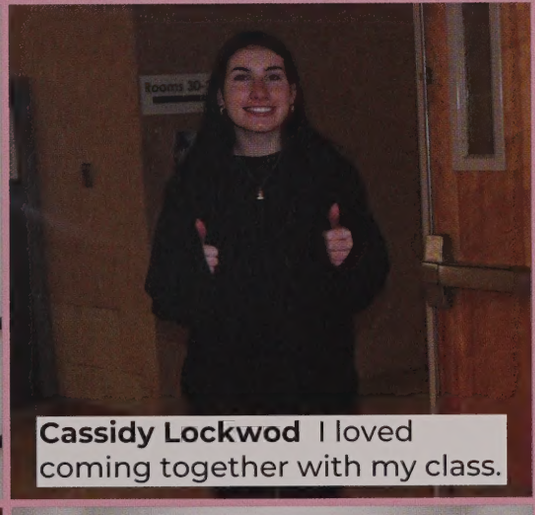
Andrew Croteau I love creating memories with my friends.





Adam Sandler Day!





Cassidy Lockwod I loved coming together with my class.

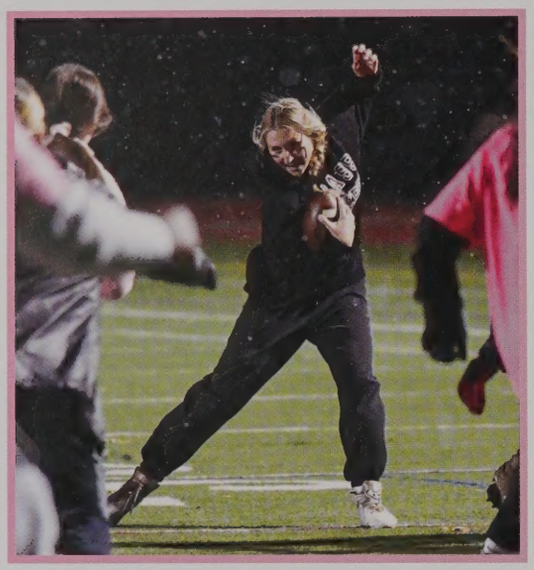
powderpuffgame

powderpuffhighlights
This year's annual PowderPuff Game took place on November 21, 2023, on Harmon A Field. With a 13-0 win the seniors were able to dominate the juniors and take home the win. Refereed by Mr. Federico and Mr. Giovanni, this snowy night under the stars consisted of many touchdowns and tackles. To make the night even more special, the sidelines were full of our senior cheerleaders decked in orange hyping up both the players and the fans. The juniors represented themselves in pink, and the seniors came out in intimidating all black outfits. Both teams were able to give their all and really came through in the end. The juniors had plenty of good runs and hits, but just could not pull through with any points. Isabella Castro came through with a touchdown and really secured the win for the seniors. Good luck next year class of 2025!



Angelina Kozhenevsky We played hard and ate that win up.

Emma Murray We fought to the death and worked really hard to secure our win.

Evan Bourgeois We really brought the spirit to this year's game!

Go Seniors!!!

Chloe Gionfriddo The halftime cheer show honestly made the game better.

peprally

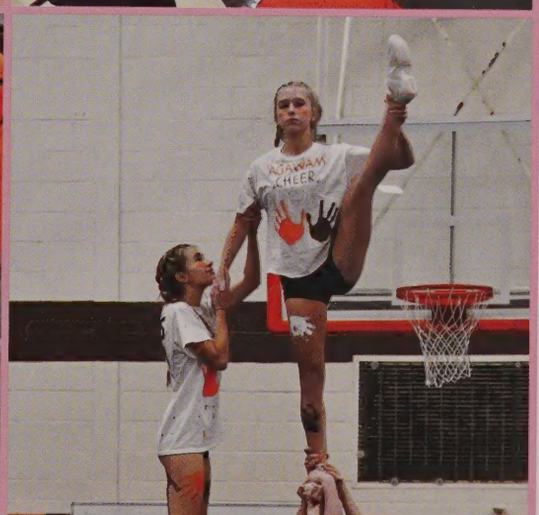
peprallyhighlights
At Agawam High we always know how to bring the spirit on our annual Pep Rally, and this year was no exception. On November 22, 2023, all classes packed into our gymnasium ready to compete and have some fun. First up was the classic song competition. We moved through games of musical chairs, tug of war, potato sack races, and even scooter races. The seniors had a hard fought tug of war win versus the sophomores making it a two-year strong record. Then, we watched Mr. Phillips get a pie to the face by Nick Finley. Our cheerleaders, colorguard, band and chorus all put on amazing performances, which really brought the energy for the half day. We watched Gianna Pettazoni and Dominic Chen put on the classic Westside vs. Agawam staged fight. It was a great day filled with fun and school spirit where the class of 2024 took home their 2nd win in a row this year.

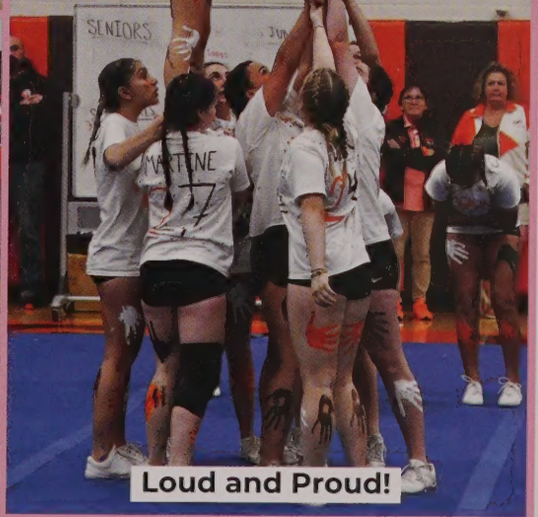
Minje Kim Competing for the sophomores in the scooter race.

Andrea Sypek I think we put on a great performance, it was super fun.

In It To Win It!

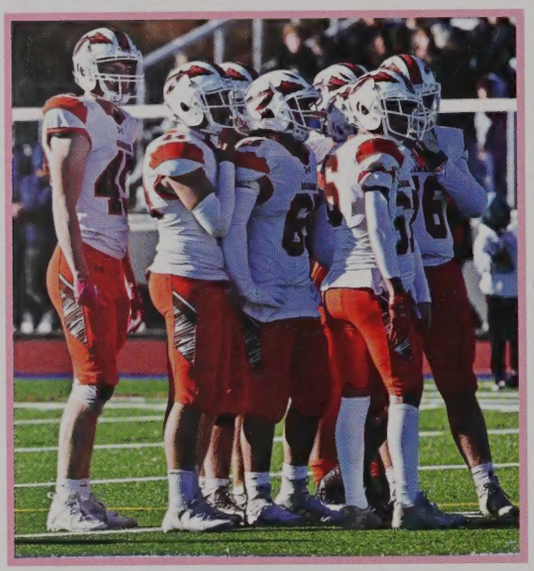
Zachary Sarrazin I always come to win in a sack race.





Loud and Proud!

thanksgivingdaygame



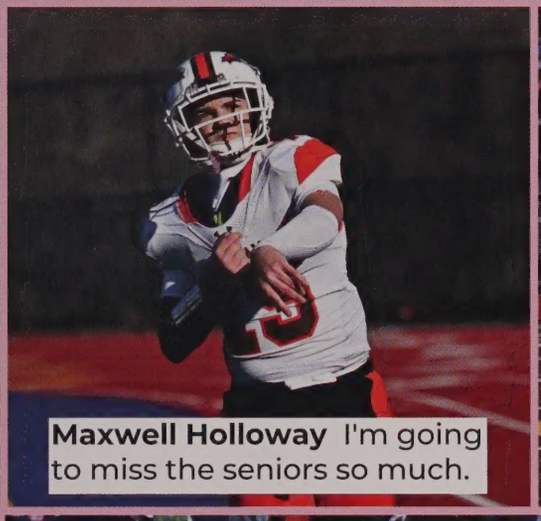
gamehighlights
Although in the end the team did not come up with the win, it was still a fun, positive day. On November 23, 2023, the team was able to play together one last time as it was the last game for all of the seniors. Every player was able to enjoy this day and come together as a community. This has been a tradition between Agawam and West Springfield, and we had so many fans cheering on the football team, the band, the color guard, and the cheerleaders. Our cheerleaders had an outstanding performance at halftime. The football team played great due to the fact that they played together as a team, and a family. Junior, Rian Villareal says, "It was a sad day to know it was the last game with our seniors." The team looks to work extremely hard to come back with the win next year! Senior, Matthew DiLullo says, "I will never forget the memories I made with this program."

Quinn Miller It was so sad to know this was my last game.

Tyler Gervais I love to be able to continue this tradition with my team!

Nick Ugolini I loved being able to play football with my family one last time.

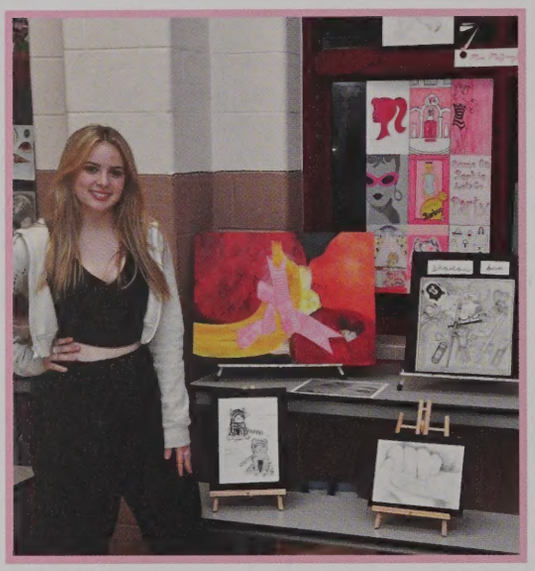
Strive for Greatness!



Maxwell Holloway I'm going to miss the seniors so much.

Go Agawam!

winterartsfestival



winterartsfestivalhighlights
On December 7, 2023, the Winter Art Festival presented art from all classes throughout AHS. Whether it be the amazing paintings from honors art or the unique builds from sculpture classes. This festival invites friends and families to come take a look at what Agawam's art programs have to offer. Students are able to show off their hard work and enjoy the presence of their peers' art as well. As Kaden McCarthy quoted. "Art is the physical representation of the human mind." Along with the art galleries, this year's festival consisted of face painting and craft booths where visitors could even take their own little trinkets and pieces of work home with them.

Mia McGregor Art will always have my heart in a way words couldn't.

Emma Gilroy I enjoyed presenting my own work while also seeing everyone elses.

Art is Not What You See, But What You Make Others See.

Mia Canavan I loved being able to see everyone else's art from AHS.

William Gamble The Winter Arts Festival held so many amazing pieces.

Senior Salutes

So far on our journey through life, it has been our families that have led the way, carving out a path for us to follow so that we don't get lost along the way. Now it's our time to map out our own destinies...but we don't simply forget where we've been as we venture forward. We are grateful for the affection and care we've received growing up from the people who love us the most, and this section is a testament to that. The Senior Salutes are messages from our families before we ventue off into the great wide world, with photo memotos attached to remember the good times. Thank you to all the generous people who purchased a Senior Salute--you are the ones who have transformed us into the capable young adults we are today!

Taylor Swift performs her 44-song setlist to a sold-out crowd during her record-breaking Eras Tour, which became the first concert tour in history to gross over $1 billion. The ongoing tour generated over $6.4 billion in economic impact in the U.S. and Canada, turning Swift into a billionaire herself and paving the way for her to break the record for most No. 1 albums by a woman in history. Along with releasing three new albums, premiering a concert film and becoming the first person to ever win four Album of the Year Grammys, Swift shared the wealth by donating to local food banks at each tour stop and providing bonuses totaling over $55 million to her Eras Tour workers.

SHE'S A MASTERMIND

Taylor Swift announces the *Taylor Swift: The Eras Tour* concert film, with tickets selling for $19.89 in honor of her *1989 (Taylor's Version)* album. The movie notably cut out major distributors as Swift secretly worked with AMC Theatres directly. This meant she negotiated to keep 57% of the movie revenue, money that otherwise would have gone to a distributor, spurring other performers, like Beyoncé, to do the same.

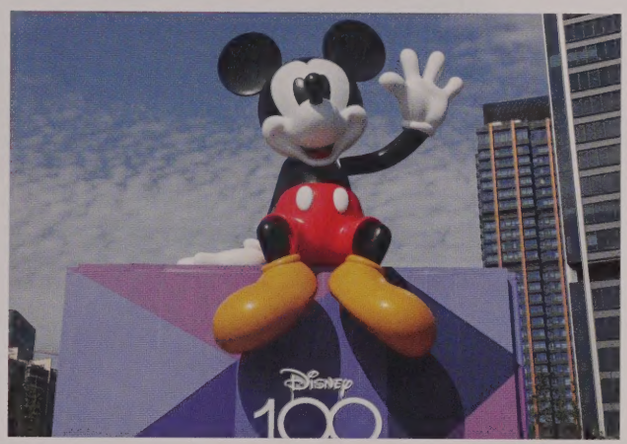
IT'S A BARBIE WORLD

Actor Margot Robbie stars as Stereotypical Barbie in the Greta Gerwig-directed hit movie *Barbie*. Moviegoers everywhere painted theaters pink as they flocked to see the film, which raked in over $1.4 billion worldwide and marked a historic milestone as the highest-grossing female-directed film of all time. The movie's soundtrack also broke records, with hits like Dua Lipa's "Dance The Night" and Billie Eilish's "What Was I Made For?" gaining viral popularity through streaming and social media platforms. *Photo credit: Newscom*

BARBENHEIMER BONANZA

The simultaneous release of Greta Gerwig's *Barbie* and Christopher Nolan's *Oppenheimer* on July 21, dubbed "Barbenheimer" by fans, quickly becomes the cultural phenomenon of the summer. The contrasting worlds of the glittery-pink, feel-good musical comedy and the dark, historical biopic took social media by storm and sparked an unexpected alliance between the two films. Deemed as the "great pop culture unifier of the year," the frenzy offered a box office revival as the fourth-strongest opening weekend ever in cinemas. *Photo credit: Newscom*



100 YEARS OF MAGIC

Disney celebrates its 100th anniversary on Oct. 16. The company, founded in 1923 by Walt Disney, became known for creating classic animated films like *Snow White* and *Cinderella*, as well as contemporary fan favorites, including the *Frozen* franchise. Disney celebrated this anniversary with special events at their theme parks, exclusive merchandise and the release of *Once Upon a Studio*, an original short film that followed Mickey Mouse as he gathered some of Disney's most legendary characters for a group photo. *Photo credit: Newscom*

A NEW RENAISSANCE

Thirty-two-time Grammy winner Beyoncé performs to one of five sold-out crowds at Tottenham Hotspur Stadium in London, England, during her 56-show *Renaissance* World Tour. The global tour stopped at a number of cities scattered across the U.S. and Europe, grossing a whopping $579 million and boosting the American economy by $4.5 billion. Her first solo headline tour in seven years, Beyoncé's *Renaissance* spanned almost three hours in length and saw fans of all ages dressed head to toe in dazzling sci-fi disco-themed outfits fit for a queen. *Photo credit: Newscom*

THAT'S MY QUARTERBACK

American football players Marcus Mariota, Patrick Mahomes and Kirk Cousins attend the Hollywood premiere of Netflix's new television documentary series "Quarterback." The show became a hit as it took viewers behind the scenes of what life was like in the NFL for the three pro quarterbacks, with plans for a second season soon announced. Netflix's "Beckham," another sports documentary series that followed soccer icon David Beckham's meteoric rise and career, hit #1 on Netflix charts while garnering 30 million views and 145 million hours of viewing time in just three weeks. *Photo credit: Newscom*

UNDER PRESSURE

A recent study reveals that New York City, home to 421 skyscrapers, is sinking under the weight of its own buildings. Researchers from the U.S. Geological Survey and the University of Rhode Island studying sea-level rise in coastal cities found that the collective weight of the city's 1,084,954 buildings – amounting to a staggering 1.68 trillion pounds — was causing NYC to gradually sink by up to 2 millimeters per year. This, compounded with melting ice sheets linked to rising sea levels, posed a heightened flood risk to the Big Apple. *Photo credit: Adam Schultz/ The White House*

WOMEN OF LEGACY

The nation pays its final respects to former First Lady Rosalynn Carter, retired U.S. Supreme Court Associate Justice Sandra Day O'Connor and sitting U.S. Senator Dianne Feinstein, all of whom died in 2023. Carter was known for her advocacy of mental health during a time when it was not widely discussed, while O'Connor was the first woman appointed to the U.S. Supreme Court. At the age of 90, Feinstein was the oldest sitting senator and longest-serving female senator in U.S. history, but had recently faced calls to step down amid health concerns. *Photo credits: Newscom*
